Nursericans and Art Pots

We are an accredited distributor of Lerio Nursericans and Keiding Art Pots. The former are metal cans of three sizes painted green with a push out bottom and two sizes of solid bottom cans painted aluminum carrying prices as shown below. The Keiding pots are of heavy pressed and molded paper and are available in a number of sizes. They are in test at our own nursery but claims for their usefulness as containers for potted shrubs, trees, roses, etc., vary from six to ten months on top of the ground. Circulars giving detailed information will be mailed on request.
